Wanted: Member photographers!

Many of you attend our events throughout the year. Now, we could use your help in taking photos with your cellphones that we can use online.

We believe that photos are a great way to show what we do, so we'd like to have more people taking photos at our events. We have created a new email group to alert potential "point and shoot" photographers that we could use help at upcoming events.

Agency profile: disABILITYsa

San Antonio offers a wide variety of public events, from Fiesta to the San Antonio Stock Show & Rodeo and many others. Most of us don't think twice about attending if we wish, but for many people with disabilities, it's not that simple.

Lack of fully accessible restroom facilities means those in wheelchairs often can't attend public events or can only stay for a short time. That's why disABILITYsa, a local nonprofit, developed their Mobile Changing Unit (MCU), a trailer fully outfitted for those with disabilities. A 2022 Impact San Antonio High Impact Grant helped fund its construction.

President's message: Join the fiesta!

As the cold starts to disappear and flowers begin to bloom, it reminds me of the renewal that spring brings about. Similarly, Impact San Antonio must renew and grow its membership each year to be able to award \$100,000 grants in each of the five focus areas.
