

2026 Sponsorship Opportunities

Impact San Antonio welcomes individuals and business owners to help us cover our operating costs which allows us to direct every dollar of each \$1,000 membership contribution to our nonprofit grant pool of funds. Your support enables us to recruit and educate hundreds of women on the needs in the greater San Antonio area. You also position your organization publicly as a strong advocate for improving lives in our community.

Other Details and Conditions:

- Any "Annual" Sponsor level may be paid in whole or in part with in-kind services or goods, subject to Impact SA approval.
- Any "Presenting" Sponsorship may be paid in whole or in part with in-kind services or goods as long as they are relevant to the sponsored event, subject to Impact SA approval.
- Event Sponsors who are not also Annual Sponsors will receive recognition in the marketing and communications exclusive to the Event that is sponsored.
- The number of Annual Sponsorships for any level is not limited.
- Annual Sponsorships are for 12 months beginning on the first day of the month after the month when the Sponsor contribution is received. If renewal payments are not received by the end of the current Sponsorship period, the 12-month period will reset on the first day of the month after the month when the Sponsor contribution is received.
- Joint or shared Sponsorships (i.e. more than one organization joining together) are not allowed.
- Sponsors who have an established logo will be recognized through the use of their logo. A Sponsor without an established logo will be recognized using a standardized representation of their name. Impact SA does not permit advertising or other messages to be displayed instead of a logo (or name). New Sponsor logos are added once per month, on the first of the month (in the month after the Sponsor payment is received).
- Sponsors may request anonymity and waive their right to have their name or logo displayed and must make that request at the time of application to be a Sponsor.
- We are open to other types of collaborations with Sponsors - for instance, a Sponsor could underwrite a specific Project completion event or educational event or series of events. Benefits would be similar to those provided to Event Presenting Sponsors. Please contact our Sponsorship team if you would like to discuss such a partnership.
- We reserve the right to update our Sponsor offerings each calendar year. However, if you have an Annual Sponsorship in place as of the end of the prior calendar year, regardless of any changes we make, we will not reduce any Sponsor benefits that you were entitled to during the prior calendar year, until the end of the then-current 12-month period.
- For questions, email sponsorships@impactsanantonio.org.
